

4.	<p>Liaisons</p> <ul style="list-style-type: none"> Green Streets and Sustainability – After the last meeting, Jeff volunteered to serve as our liaison. Charlene informed Mike Clar (Chair), but Jeff has not been contacted by the Task Committee yet. Charlene will follow up with Mike Clar to make sure he remembers Jeff as our liaison. Sustainability Committee – The Committee is writing articles for Currents and making suggestions to reduce environmental impact of conferences (e.g. EWRI 2010). Goals: increase awareness of environmental impacts and issues within the profession. 	<p>Jeff Charlene</p>
5.	<p>Outreach</p> <ul style="list-style-type: none"> Currents (quarterly) article about mission statement. Charlene working on updating mission statement. <p>“The Stormwater Infrastructure Committee provides a forum for Civil Engineers, Regulators, and other Urban Infrastructure Professionals to explore the evolving technologies of non-point source stormwater, stream, and lake pollution treatment, conveyance, controls, modeling and management techniques. Our Committee is committed to furthering ASCE’s sustainable principles (Policy Statement 418).”</p> <p>Charlene is sending statement via email to be commented on by COB 10/28/09. Gordon is OK with mission statement and will review article.</p> <ul style="list-style-type: none"> Website – Any comments or pertinent links (task committees, liaison groups, etc.) please send to Bridget. Outreach – Susan – on last call, but found out about the committee through Currents; Vincent – on email list for a while, found opening today. Charlene reached out to Troy and Katherine, as well as other people at URS. Rob suggested we market the funding for conference attendance if member becomes officer on a task committee, also include ideas for task committees – include in Currents article. Bridget will continue to talk to students. 	<p>Charlene Bridget Charlene</p>
6.	<p>Future Conferences</p> <ul style="list-style-type: none"> EWRI (May 16-20) – abstracts closed out, and most have been reviewed. Charlene will soon organize into groups. Authors will be notified shortly. Annual Committee + task committee meetings at EWRI. ASFPM (May 16 – 21) – in OK LID – San Francisco in April, Rob will be going, Bridget potentially 	<p>Charlene</p>
7.	<p>Other</p> <ul style="list-style-type: none"> Reiterate that there is a shift towards water quality, and there is room to explore quantity. Rob is moving in this direction with ideas about green infrastructure and CSOs. 	<p>Discussion</p>
